No C.58/25-26 & 11.5.1926.
Requests that in modification of the Govt. Sanction No 9/12 dated 9th/12th posting a Senior Sub Asst Surgeon with charge of the Mysore Lancers Hospital, an Asst Surgeon may be posted to maintain the Sub'd. This arrangement of posting an Sub Asst Surgeon was due to the Senior Surgeon having reported that there was hardly any scope for professional work in the Lancers Hospital, & a young officer would soon get tired of the inactive life. He had accordingly suggested the posting of a retired Surgeon or Assistant Surgeon who might still have some energy in him. The Chief Commandant (Major Foothit) who was consulted unofficially opined that "a retired medical officer or Sub Asst Surgeon would meet the requirements of the situation."
The result was the issue of Govt Sanction No. 877 -6/mcd 4-24-21 & 9th/12th June 1926, by which the cadre of Asst Surgeons was reduced by one that of Sub Asst Surgeons increased by one.

NOTE—Contn. Sheet

Final Note by the First Member of Council.

Subject:—

Medical officer, Mysore Lancers Hospital, Bangalore.

These papers relate to the question of the Medical Officer of the Mysore Lancers Hospital. This Hospital was formerly in the charge of an Assistant Surgeon; but the Senior Surgeon reported that an Assistant Surgeon had hardly any scope for professional work in the Hospital as all cases of a serious or complicated nature were taken for treatment to the Victoria Hospital and the Chief Commandant also state that a retired officer or a Sub Assistant Surgeon would meet requirements, and Government thereupon passed orders in 1925 appointing a Senior Sub Assistant Surgeon to the Hospital, reducing the cadre of Assistant Surgeons and increasing that of Sub Assistant Surgeons by one.

-do-

The Chief Commandant has now reported that the dignity of the Hospital has suffered since the posting of the Sub-Assistant Surgeon, and adds that practically every week cases are being referred to the Victoria Hospital. The Medical Officer in charge of the Lancers Hospital has the title of Lieutenant, if a Sub Assistant Surgeon, and Captain if an Assistant Surgeon, and the CHief Commandant reports that there is discontent among the officers of the regiment in regard to the title of Lieutenant being held by a Sub Assistant Surgeon. In view of the above circumstances, he requests that an Assistant Surgeon may be posted to the charge of the Hospital as before.

It is therefore proposed to post an Assistant Surgeon to the Hospital. The Dewan and the Second Member agree. The extra cost involved will be met from the provision of Rs.50,000 made for the reorganisation of the Military Department in the current year's budget. By this arrangement the cadre of Assistant Surgeons will be increased

by one and that of Senior Sub Assistant Surgeons on Rs.97 will be reduced by one.

The proposal is submitted for the gracious approval of His Highness.

P.G.D'Souza Esq,B.A.,B.L.,
Chief Secretary to the Govt of H.H.the Maharaja of Mysore.

SIR,

Adverting to Govt.Order No.L.8774-6/Med.4-24-21 dated 9/12th June 1925, I have the honor to state that since the posting of a senior Sub-Assistant Surgeon to the charge of Mysore Lancers Hospital, where the Officers and men of two important Units viz Mysore Lancers and Mysore Transport Corps, are treated, the dignity of the Hospital itself has been much reduced. Almost every week there are cases requiring to be referred to Victoria Hospital (Medical Board) in addition to the cases sent direct by the Medical Officer as out-patients. It is in my opinion very necessary that the Hospital should be in charge of a Medical Officer with qualification superior than those of a Sub-Assistant Surgeon.

Further, the confering of the title of "Lieutenant" on the Senior Sub-Assistant Surgeon is also causing much agitation and discontent in the Regiment vide correspondence ending with your letter No.G.2465/Mily. 224-24 dated 22-10-25 and report No.1516 dated 30th January 1926 from the Commandant Mysore Lancers copy enclosed.

In the circumstances explained, I request that the Govt.Order of 12-6-1925 may be modified and an Assistant Surgeon placed in charge of the Hospital, in the interests of the efficient working of the institution.

=====

Adverting to your order No.C.58/25-26 dated 13-11-1925, I have the honor to bring to your kind notice the following facts.

The title of Lieutenant conferred on the Senior Sub-Assistant Surgeon placed in charge of the Lancers' Hospital requires the courtesy of the salutes of all Indian Officers including Resaldars. Whereas, he is junior to even a last grade Jamedar, in the light he is provided 3rd class accommodation in Railway,when a Jamedar of last grade is entitled to 2nd class accommodation. The position and prestige of the Commissioned ---- Officers is humiliated very much when they have to salute the Medical Officer.

Notwithstanding the above discrepancy, I beg to bring to your kind notice that when we take part during the Brigade Manoeuvres and other camps of Exercise, the Medical Officer will have to accompany us and we will have to mingle with the British Officers. The Salutes made to the Medical Officer by our Officers will be a mockery in the sight of the British Officers holding similar rank.

I request you therefore to kindly move the Government once again in the matter in support of the Military discipline and the prestige due to the Military titles.

Dear Sir,

I am desired to invite your attention to Government Order No. G. 857-9/Mis 14-25-43 dated the 26th July 1926. directing that the Mysore Lancers Hospital, Bangalore, be placed under the charge of an Assistant Surgeon as before. In this connection I am desired to observe that the Medical Officer in charge of this Hospital is apt to send all difficult cases to the Victoria Hospital. Government desire that this should not be done. The Medical Officer should attend to as much of the works as in the regimentas possible and attend also to the Transport Corps. This would keep him well occupied. I am therefore to request you to pay occasional visits to the Regimental Hospital and satisfy yourself that the Assistant Surgeon in charge is attending to his duties including those of the Transport Corps properly.

Yours sincerely,

Mis 4/6

Dr. B. Md. Usmon, L.M.S.,
